Lt. Col. Alexander R. Davis,  
Hdqts. 372nd Infantry(Rifle)  
Office of the Regimental Commander,  
Fort Dix, N. J.

Dear Colonel:

First of all please accept my thanks for a very pleasant afternoon on my last visit to Fort Dix. The entire party have asked me to express their appreciation to you also.

I thought I should keep you informed as plans for entertaining the 372nd progress. First of all I have been assured that Mayor Ellenstien will issue a proclamation declaring May 11th 372nd Day. I have been also assured that we will be able to obtain the State Trooper escort for the Regiment from Fort Dix to Newark.

I realize that you do not know at this time exactly how many men will be in Camp or how much transportation you will be able to provide. I would appreciate however if you could let me know on the basis of the present number of men we will be entertaining. Just before the day of the game you could give me the final figure. I want to be able to begin making plans, believe I will be better able to do so with even a slight knowledge of the number of men there will be in the party.

I will keep in touch with you and inform you as the plans progress.

Very truly yours,
